**RESOLUTION TO ADOPT A SUMMARY OF CHARGES AND CREDITS FOR A
STORMWATER UTILITY SERVICE CHARGE SYSTEM**

WHEREAS, the City of Menomonie has established a stormwater utility to provide the funding mechanism for operating, maintenance and improvements to its stormwater system, including collection, detention, and treatment; and

WHEREAS, there will be increased maintenance and upgrades required through the permitting process of the Wisconsin Department of Natural Resources; and

WHEREAS, the rates to be in effect will fund the seven requirements of the Department of Natural Resources Municipal Separate Storm Sewer System permit;

NOW, THEREFORE BE IT RESOLVED that the utility rate charges based on the stormwater utility ordinance will be computed based on an Equivalent Runoff Unit (ERU) as defined in the stormwater utility ordinance and will be \$8.00 per Equivalent Runoff Unit (ERU) per quarter;

BE IT FURTHER RESOLVED that Full Multiple Residential and Nonresidential units as defined in the city stormwater utility ordinance (Chapter 28) will be eligible to apply for credits. The maximum credit will be 20% of the fee due each quarter. A 10% credit will be allowed for stormwater quantity treatment that complies with the City's stormwater management ordinance (Chapter 27). An additional 10% credit will be allowed for stormwater quality treatment that complies with the City's stormwater management ordinance (Chapter 27). Individual properties must submit an application on a form supplied by the City to receive consideration for credit.

BE IT FURTHER RESOLVED that this resolution shall take effect on commencement of the quarter for which bills are due and payable on April 1, 2008 (first billing quarter).

Adopted this 5th day of November, 2007.
